In the framework of Erasmus+ Mobility Programme Algebra University College announces

I. Amendment to the Call for Applications

for financial support for study visits or traineeships at foreign higher education institutions

Code: **ERA5ST01**

Algebra University College announced the Call for Applications for Financial Support for study visits or traineeships at foreign higher education institutions on 29 March 2019 on the web page of Algebra University College ([text](#)).

1. The text of the Call has been amended as follows:

"Mobility for study visits or traineeships will be realized and funded within the project 2018-1-HR01-KA103-047086 by 31 May 2020. If mobility quota from the project is achieved, new mobilities will be funded and realized from the project 2019-1-HR01-KA103-060361 by 31 May 2021."

Apart from this amendment, the Call remains unchanged.
